

At Your Airport, the Gang's All Here

These are the frontline homeland security colleagues who NTEU represents at your airport:

- ★ U.S. Customs and Border Protection (CBP) Officers
- ★ Legacy Immigration and Naturalization Service (INS) Officers
- ★ Agriculture Specialists

CBP Officers—and NTEU members—at Orlando International Airport

As a TSA employee, NTEU should represent you as well.

NTEU has played a key role in addressing and protecting workplace conditions at CBP for more than 30 years. In 2006, CBP Officers chose NTEU over AFGE by more than a 2–1 margin, making NTEU the exclusive representative of the 24,000-employee unit.

There is strength in numbers. There is strength in NTEU.

Join the rest of your airport colleagues in choosing NTEU—the strongest, fastest-growing union in the federal sector.
